

Using Technology Tools #3

Choose problems of correct type from your book. Complete the chart below:

Problem Type	Problem	Answer	Tool Used
Add Polynomials			
Subtract Polynomials			
Multiply Polynomials			
Divide Polynomials			
Factor Polynomials			
Factor Polynomials			
Simply Rational Expressions			
Simply Rational Expressions			
Solve Quadratic Equations			
Solve Quadratic Equations			
Solve Quadratic Equations			
Solve Linear Systems			
Solve Linear Systems			

Sketch graphs on the back of this sheet for the following problems, marking and naming the coordinates for important points on the graph:

1. A Quadratic Function
2. A Linear System
